ABOUT PEOPLE

Strangers in the City and Wheeling Folks Abroad.
On Monday evening last a number of young people of the North End instituted what promises to be a popular movement in society circles this spring. This was nothing more than a skating rink party, composed of twenty-eight couples, who enjoyed themselves at the North End rink on roller skates under the chaperonage of Mr. and Mrs. E. Buckman. After a thoroughly jolly time at the rink the entire party adjourned to Col. John Shook's parlors on Twelfth street, where they were served with a lunch that would shame Delmonico.

D. F. Giesler and wife, of Sherrard, are at the Stamm.
Mr. B. S. McLure, wife and child are home from Texas.

R. A. Bradford, the Pittsburgh white lead salesman, is in the city, a guest at the Stamm.
George V. Brown and wife of St. Clairsville, were here, and registered at the Windsor.

Captain Charles E. Walde, of the Cleveland Grays, is in the city, a McLure arrival.
E. D. Marshall, of New Cumberland, a Hancock county attorney, registered at the McLure.

J. S. Giesencamp, of Pittsburgh, the well known carriage manufacturer is a McLure arrival.
P. H. Tristram, of Pittsburgh; C. S. Belnap, of Massillon O, railroad passenger agents are at the McLure.

John Roy, James Roy and W. A. Grievis, of Warren, oil operators, were here yesterday en route to Sisteraville.
W. H. Harden and son Frank are in Wheeling, called there by the serious illness of Mrs. Harden.—Steubenville Gazette.

I. H. Phlegger, of Piedmont, mayor of that thriving West Virginia town and a strong protective tariff man is a McLure guest.
Yesterday afternoon Mrs. Anton Reymann and Mrs. George E. Stifel returned from a visit to friends at Pittsburgh and Rochester, Pa.

Thomas Quinn, of Maunington; J. S. McCasky, of New Martinsville; C. M. McCoy, of Sistersville, and J. H. Barry, of Fairview, are at the Behler.

Sheriff Franzheim and Miss Mina Hein got home yesterday from Chicago, where they testified against J. K. Fraeland and his wife, Belle, who raised United States notes and passed them. They were convicted.

David Hauchett, leading man of the "District Fair" company, was in olden times an actor in the Athenaeum stock company here, and afterwards managed the Washington hall theatre and played there. He was a prime favorite then and is still, here and all over the land.

C. J. Hall, of Sistersville; Rev. F. Rumble and wife, of Moundsville; F. E. McDowney, of New Martinsville; J. W. Poliny, of Romney; Mrs. O. N. Koen and Miss Riley, of Maunington; P. L. Jones, of New Haven, and O. B. Ranney and wife, of Sistersville, are Stamm arrivals.

State Bankers' Association.
Mr. John Claypool, cashier of the Spencer National bank, formerly of Charleston, was here the first of the week, interesting the local bankers in a movement to form a state bankers' association. The first step will be a convention of bankers at Charleston on May 16. Several of the Wheeling bankers signed the call. Such associations are common in other states, and are found to be of great utility to the banking interest, and it is thought the project will meet with success in West Virginia.

Gas Bills Must be Paid.
At a meeting of the city gas board it was decided that all back accounts which have accrued heretofore by the leniency of the officials must be paid within a reasonable time, and hereafter the following rule is to be rigidly enforced: "Rule 5. In default of the payment of any bill of the gas works within twenty days after the same shall have become due, the gas must in all cases be shut off from the person owing such bill."

When gas is turned off for non-payment, the city charges a fee for turning it on again after the bill is paid.

Transfers Recorded.
The following transfers of real estate were admitted to record in Clerk Hook's office yesterday:
March 13, by Joseph Becker and wife to Ann F. Crymble, the south half of lot 64 in Fife's addition.
March 13, by Ann F. Crymble to Eva Wyman, for \$1,500, the same property.
March 13, by Ann F. Crymble to Joseph Becker, the Miraben homestead.

LOCAL NEWS.

Matters of Minor Moment in and About the City.

The Marcella Club will give a dance at the Calumet club rooms Tuesday evening, March 27.

Dr. H. C. Dransner is building an addition to his new residence, corner of Thirteenth and Eoff streets, an office, with entrance on Thirteenth street.

Rhea will be at the Opera House next Tuesday and Wednesday evenings and Wednesday matinee, and no doubt she will be, as usual, greeted by crowded houses. She is a special favorite in Wheeling.

It was very windy and dusty yesterday, and about half past two o'clock a slight sprinkle of rain fell, but not enough to lay the dust. About 4 p. m. the sun came out brightly again, but the wind and the dust still reigned supreme.

The handsome new M. E. church at Benwood is growing near to completion. In two weeks, nothing occurring to prevent, the structure will be ready for dedication. It is a credit to the town, and is one of the most complete in the state.

About 1 o'clock yesterday morning James Whiteman, a workman at the Riverside plant, in Benwood, let a huge piece of steel roll on his legs, and both were broken. He was brought to his home, on South Jacob street, and Dr. Ford attended him.

J. C. Williams, heretofore local manager of the McAuley-Peters Tent and Awning Company, and Edmund C. Roller yesterday purchased the Wheeling branch, and will operate it as the Wheeling Tent and Awning Company. Both are excellent, practical young men, and will no doubt build up a large industry.

The Shriners of this city are preparing for a grand time Thursday. The officers of Oasis Temple, of Wheeling, will then be here to initiate into the order about fifteen applicants from Bramwell, and about twenty from Charleston, Huntington and vicinity. The Adelphi will entertain the Shriners during their visit here.—Huntington Herald.

"Maneu to search" is the old adage. It searches out any weakness of the system, resulting from impure blood. Those who use Ayer's Sarsaparilla find March no more searching or even disagreeable than any other month. This medicine is a wonderful invigorator.

READY-MADE CLOTHES—THE HUB CLOTHIERS.

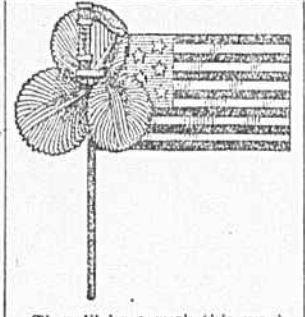

ARE YOU Open to Argument?

Isn't it a significant fact that the converts are all to Ready-Made Clothes? One by one you are understanding more about Ready-made Goodness. The waste of time and money in having clothes made to order is becoming more apparent. We're gaining customers and the tailors are losing them, at ONE-HALF THE COST is a strong argument. Our guarantee to give you satisfaction or give you your money back makes the experiment a safe one for you to try.

Come in and get a Shamrock Souvenir. Our own and original idea. Nothing like it ever before offered. Every purchaser during this week entitled to one.

If your tailor is to be believed, you're a pitiable deformed mortal. He tries to make you, think there is something crude and unfinished about the garments that you can jump right in. That's all bosh. There isn't a custom shop in this city that can turn out any finer suits than we've got on our counters. Now they can't buy any finer fabrics than are used in their construction. They can't trim any more elegantly, make any more carefully, cut any more stylishly, fit any more perfectly than hundreds and hundreds of our Single and Double Breasted Sack Suits, Three or Four Button Frocks, or our Elegant Extra Long Regent Cutaway Frocks and separate Trousers that comprise our inimitable stock.

The same fashion plate direct our shears as theirs. We keep strictly within the bounds of genteel refined effects, and when we say \$10.00, \$12.00, \$15.00, \$18.00, \$20.00 or \$25.00, we don't wonder it's a strange sound to your ears after the \$25.00, \$30.00, \$35.00 and \$40.00 askings you've been in the habit of hearing, but the only difference is the price. You can't get such clothes made anywhere, though—nowhere else in Wheeling. You can pay more but there isn't our variety nor the same high class work to show for it. They're lacking in fine points that you are used to, but the price is \$5.00 and \$10.00 more than ours. We'll leave it to you. We'll leave it to any impartial judge if better suits can be produced. We're as near the top of perfection as it is possible to get.
